Commissioner for Patents

Sir:

Agilent Technologies, assignee of the entire interest in the above-identified patent, respectfully request a Certificate of Correction to be issued in accordance with 37 CFR 1.322.

The undersigned represents Agilent Technologies, Inc., the assignee of U. S. patents 5,786,804 (the "'804 patent"), 6,281,882 (the "'882 patent") and 6,433,780 (the "'780 patent"). The assignment(s) to Agilent Technologies, Inc. are recorded for the '804 patent at 012143/0895 and 015232/0278; for the '882 patent at 012143/0895 and for the '780 patent at 012143/0895.

02 FC:1811 100.00 DA

This petition accompanies a request for a Certificate of Correction to correct a mistake made in U. S. patent application serial number 09/753,805 (the "'805 application"), which issued as the '780 patent, of failing to properly claim priority under 35 U.S.C. 120 as a continuation of a continuation-in-part application of the '804 patent. A similar request for a Certificate of Correction is being filed on even date herewith to correct a mistake made in U. S. patent application 09/052,046 (the "'046 application") which issued as the '882 patent.

The references to the prior-filed application required by 37 C.F.R. § 1.78(a)(3) are included in the request for a Certificate of Correction for the '780 patent.

The entire delay between the date the claim was due under 37 C.F.R. § 1.78(a)(2)(ii), and the date of filing of the request for Certificate of Correction to perfect the claim in the '780 patent, was unintentional. It was the practice of the applicant at the time of filing the '805 application to make all such claims of priority under 35 U.S.C. 120 and no other reason for the failure to properly claim priority is known.

Please charge \$1370.00 for the fee set forth under 37 C.F.R. § 1.17(t) for the petition and charge \$100.00 for the fee set forth under 37 C.F.R. § 1.20(a) for the certificate of correction to Deposit Account **50-1078**. Please charge any deficiencies in connection with this communication, or credit any overpayment, to Deposit Account **50-1078**.

Respectfully submitted,

Counsel for Agilent Technologies, Inc.
